How To Use This Tumblr.

Long Island Trends tumblr covers many types of local coverage about Long Island business, shopping, culture, events and lifestyle. We also talk about technology, design and community trends occasionally too. To help you navigate this Tumblr with ease, here's a list ways to find cool information fast:

Popular Tags

- [#longislandevents](#) for event listings and event coverage.
- [#longislandupdate](#) for time sensitive information.
- [#pennysaveramphitheater](#) for shows at the Amphitheater.

Location Tags

It's not always easy to get around on Long Island (like Hamptons traffic on Labor Day weekend), so people need things at their fingertips. Geolocation tags (e.g. events) for Long Island will be used at a city, county, and "shore" and "fork" level to make it easy to find things you'll love.

- For cities, use this format: cityny (e.g. FarmingvilleNY)
- [#northshoreLI](#)
- [#southshoreLI](#)
- [#suffolkcounty](#)
- [#nassaucounty](#)
